Value

Sessions are 20 minutes each

Red Light Therapy brings relief to symptoms of:

- Joint Pain or Osteoarthritis
- Muscle Pain, Tears and Sprains

Red Light Therapy helps:

- Heal Wounds, Scars and Acne
- Minimize Wrinkles
- Minimize Skin Discoloration

*Red light cannot be felt and isn't painful because it doesn't produce any heat. Low-power red light wavelengths are emitted directly through the skin to relieve aches and pains, and heal wounds.*
